

# Manchester Police Department

## Public Awareness

The Manchester Police Department wants you to be aware that we have had recent Thefts in the Town of Manchester. The thefts have involved areas on or just off the Route 30 Corridor.

**We believe we have the suspects identified.** If you see a late model van matching the above pictured van and being operated by a Male White approximately 38 years of age, 5'5, Medium Build, close cut hair, decaying teeth and possibly in company with a Female White, approximately 36 years of age, thin build shoulder length brown hair contact Police.

One of the methods of operations for these individuals is to approach homes and ask residents if yard work or house work needs to be done. While doing so, more than likely they are scoping your property for quick items to steal.

Again we believe we have the suspects identified we are continuing to investigate and if arrested we will keep you posted. PLEASE KEEP VEHICLES AND SHEDS LOCKED

**UNCLASSIFIED/INFORMATIONAL PURPOSE ONLY**
