Public Awareness

Attention Manchester Residents, I received word from officials in the State of Delaware, there is an alarming increase of SCAM calls targeting Senior Citizens. The calls surround grandchildren being incarcerated and needing Bail money. Unfortunately the victims have been falling for the SCAM and withdrawing large sums of U.S Currency. The SCAMERS are having their people come directly to the victim's home and picking the money up.

We are not aware of any incidents in Manchester or the **County**. Do NOT fall for the SCAM. Do not panic when you receive this type of call and call 911 or your local police department ASAP. Call family members to inquire but never just withdraw the money.

Please take time to discuss this SCAM with your senior family members making them aware.

I want you to be updated and aware of these events and please remember Call 911 and report suspicious activity. DO NOT APPROACH! Get detailed description of persons, vehicles and tag numbers if possible.
